United Way serves your community through an annual campaign in the workplace of thousands of companies nationwide. Since WELS Lutherans for Life is not directly involved in this campaign, we are not predetermined to receive funding from the United Way. However, WLFL can receive funding through the United Way program called "Donor Choice."

The "Donor Choice" program allows employees to contribute to any qualified charitable agency with a non-profit classification. WLFL is a registered non-profit 501(c)3 tax exempt organization, EIN 39-1436085.

To participate, simply ask your employer for a United Way form and designate WLFL in the "Donor Choice" section as your charitable agency of choice.

The full name of the organization and the address must be included. To designate your contribution, write in:

WELS Lutherans for Life, Metro-Milwaukee
8501 W. Lincoln Avenue
West Allis, WI 53227
